Brief Description of Arguments to be Presented:

At Examiner Elisca's suggestion we are requesting a telephone interview in this very unusual situation where this case was withdrawn from appeal and now a single article reference is cited which on its face has very little, if any, thing to do with the invention. Before filing another appeal brief we would like to discuss this further.
An interview was conducted on the above-identified application on _____.

NOTE:

This form should be completed by applicant and submitted to the examiner in advance of the interview (see MPEP § 713.01).

This application will not be delayed from issue because of applicant's failure to submit a written record of this interview. Therefore, applicant is advised to file a statement of the substance of this interview (37 CFR 1.133(b)) as soon as possible.
